Good afternoon Brett,

Thank you for reaching out. For your reference, I have included previous emails regarding this trust. I'm uncertain why Ms. Baxter would report not receiving any communications as we've only ever used the email address you provided below and have, in the past, reached her successfully via this address.

We will of course maintain the trust but do reach out to the parties when balances drop and there is no activity. The current trust balance is \$187.99.

I'd appreciate if you would confirm the address we are using for statements to the EPA:  
U.S. ENVIRONMENTAL PROTECTION AGENCY  
ATTN: REGIONAL ADMIN., REGION 10  
1200 SIXTH AVENUE, MAIL STOP RA-140  
SEATTLE, WA 98101

Thank you.

Dear Ms. Garlick:

Please be advised that JH Baxter & Company is required by the RCRA § 7003 Administrative Order on Consent (U.S. EPA, Region 10; Docket No. RCRA-10-2001-0086) to maintain a trust agreement to satisfy the requirements of that agreement with EPA. We understand from Ms. Baxter that she has not received your communications concerning this matter. We suggest that you communicate with her at (650) 349-0201 or [gbaxter@jhbaxter.com](mailto:gbaxter@jhbaxter.com). Please also include me in future email communications regarding this matter, as I am the current EPA project manager for this site.

Thank you,  
Brett
